Report

The Resource person Mr. Prasad, TASK Academy addressed about the importance of Time Management in our day to day life. Improving time management is a core skill for anyone wishing to work efficiently and establish good habits. Resource person also addressed following points w.r.t Time Management:

- Understand the importance of time management
- Establish priorities based upon values and goals
- Demonstrate self-management by setting reasonable boundaries
- Analyze and evaluate how they spend their time
- Learn causes of procrastination and discover ways to overcome it
- Develop and implement a planning system

All B.Tech II year students are participated in the session and got inspired by the examples given by Mr. Prasad.

Report

The Resource person Mr. Daniel, TASK Academy addressed the processes and strategies involved with successful career management, Breaking down career goals, short term versus long term goals and how to set Career goal with SMART.

A SMART goal is used to help guide goal setting. SMART is an acronym that stands for

- Specific
- Measurable
- Achievable
- Realistic and
- Timely

How to achieve Career Goals:

- Write them down
- Share the plan
- Visualize Success

In addition to above the Speaker shared many real time examples with students regarding setting goals with that many students got inspired.

All B.Tech I year students are actively participated in Soft Skill Development Program on How to Achieve Your Career Goal.
