### Report

The Resource person Mr. Daniel, TASK Academy addressed the processes and strategies involved with successful career management, Breaking down career goals, short term versus long term goals and how to set Career goal with SMART.

A SMART goal is used to help guide goal setting. SMART is an acronym that stands for

- Specific
- Measurable
- Achievable
- Realistic and
- Timely

How to achieve Career Goals:

- Write them down
- Share the plan
- Visualize Success

In addition to above the Speaker shared many real time examples with students regarding setting goals with that many students got inspired.

All B.Tech I year students are actively participated in Soft Skill Development Program on How to Achieve Your Career Goal.
