## Comments

S.No.	Comment
1	workshops for new technologies and Innovative projects helping the students to get good awareness about upcoming technologies and implementing them
2	The College has a Centre for Student Services and Placement, which gives personal and career counseling to the students. The idea is to enable students to effectively cope with life at College as well
3	CISCO Certifications courses offered by the college are very useful to the students
4	Solving problems from Hacker Rank platform is really helping the students to improve their programming skills
5	Good
6	College providing Courses on communication skills, Employability Skills to make the student industry ready.
7	CISCO Certification course on CCNA, Programming languages like pyton, linux are very good.
8	Design experiments in many laboratory courses thereby stimulating creativity and innovation in students to solve real world problems
