PGE CET CODE : VGNT1

Analysis of Stakeholder Feedback AY 2020-2021

Stake Holder	Concern	Action Taken
Alumni	Capacity building for training	In house training team has been constituted to provide industry specific training in technical and soft skills from 1 st year onwards. The necessary hard ware and software has been procured exclusively to be used for the same. A separate building has been planned for to be used exclusively for training the students.
Alumni	Impetus for higher education	Webinars have been organized with speaker drawn from Industry as well as Foreign Universities to bring awareness among the students about various avenues for higher education.
Alumni	Need to improve coding skills to meet the industry needs	Focus groups have been identified from each branch and training in coding has been imparted to the selected students.
Parent	Recordings of on line classes	The video recordings of the online classes have been shared with the students to help them in case they have missed the classes either due to technical glitches or any other reason.
Parent	Prerequisite for attending online classes	Short videos about the subject to be discussed in the subsequent class were shared with students in advance to help them come prepared to the class room. The same can be used later for revision as well.
Parent	Transport fee	The students have been provided with a considerable discount in the transport fee as feasible.
Teacher	Facilities for preparation of video lectures	Each department has got well equipped classroom for
