## CONSTITUTIONAL DAY

**Constitution Day** (or **Samvidhan Divas**), also known as **National Law Day**, is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent Assembly of India adopted to the Constitution of India, and it came into effect on 26 January 1950.

The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the B. R. Ambedkar's Statue of Equality memorial in Mumbai. The year of 2015 was the 125th birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution.<sup>[1]</sup> Previously this day was celebrated as Law Day. 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of Ambedkar.

## REPORT ON CONSTITUTIONAL DAY

On the occasion of constitution day 70<sup>th</sup> anniversary of Indian constitution. We the Vignan Institute of Technology of Science have organized a live telecast of the program, where our P.M Modi and Vice – President Mr. Venkayya Naidu had addressed the gathering as well our all the people of its nation.

As per the guidelines of HRD this message was telecasted to create awareness among the students, who will be the future generations. Principal Dr. G. Durga Sukumar, CEO Sri B. Sravan, Deans, HODs, staff along with the NSS program officer were participated in this program and made it a success.

In their message they have remembered and recollected the efforts in designing the constitution. Our P.M Mr. Modi has appreciated our nation by saying we are not at all less in any aspect and also said that we are successful and powerful, and we convert everything success by working towards it with patience and happiness. We make big success in every aspect by converting even every impossible deed by with an understanding.

We have designed our constitution with a big dream and we should design our nation to the same extent with dedication. Progressing our nation only must be our responsibility. All of us must be united to protect as well as to increase the dignity of our nation. Only this must be our dream we should convince people to achieve this. We must always be against the negativity. Such as arrests, bundhs and all such non – violence. We must also effort towards equality among the people and prosperity of our nation.

Here, Modiji has mentioned the interests of M.K. Gandhi that “always we should be duty minded” and all the needs must be fulfilled irrespective of the titles. “Only duty must be our petition” and “Right to duty must be well preferred”.

**VITS IEEE WIE Advisor :** Dr. Vijayalaxmi, Assoc. Prof., ECE Dept.

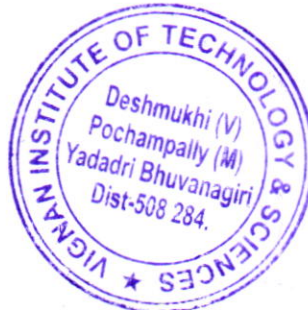

**VITS IEEE WIE Chair :** Ms. Wooha, Student III ECE

The first **IEEE WIE Star event** of the year was conducted successfully at the Anaadha Vidhyarthi Griha orphanage in Chitra Layout. Various projects made by the IEEE members were explained to the students there.

The event saw active participation from all the members. A variety of projects ranging from simple science experiments to simple circuits were displayed as well as explained to the students. The variety of projects catered to the understanding of all the students there, as some belonged to school while a few others were graduation students.

**Chief Guest present for the event:**

Dr. Vijayalaxmi, Chair, IEEE WIE Hyderabad Section, Assoc. Prof., VITS IEEE WIE Advisor

## VITS IEEE SB

### THE TECHNO NOURISHMENT!!!!...

Duration	:	7 hours
Location	:	<b>Bapuji High School</b>
Total number of participants	:	300
Theme	:	<b>Driving a Change among School Students</b>
VITS IEEE WIE Advisor	:	<b>Dr. Vijayalaxmi, Assoc. Prof., ECE Dept.</b>

Over a 60 students from **VIGNAN INSTITUTE OF TECHNOLOGY AND SCIENCE** stepped out of their classrooms with the only goal of knowledge sharing and engaging school students in technology to formulate actions for future learning.

The sense of purpose towards organizing the event is to motivate the school students in technology. All of us together came out with an idea to embrace all forms of technology in the classroom and use them to their advantage. By training students to use technology appropriately and effectively and providing opportunities for them to reach learning targets through its usage, we could create a situation in which students are engaged in learning.

Our team has focused upon developing a deeper understanding of the appropriate use of technology. We came out with both **SCIENCE** and **ELECTRONIC** projects. We've prepared models of each project so as to set the school students minds on fire.

In order to make the Event success organizing alone is not enough, Publicity was another important criteria. For Publicity we've designed 2 Flexes'.

These were designed by: srinivas, Akhil Sai, sree ram and Teja Sai.

#### Organizing committee:

Coordinators : Dr. Dinesh Kumar, Dr. Vijayalaxmi

Student Coordinators : Anjali, Priyanka, Teja Sai, Akhil Sai, Karthika, Joshna, Ravali, Susmitha, Sai Sree Ram, Srinivas

#### Feedback:

We did engage the students in conversations about the appropriate application of technology. They asked many questions not only relating to the project but also the latest updates in Technology. We could see a warm smile which was the universal language of kindness.

The well-organized interaction, collaboration of our students could savvy their involvement so that they were comfortable in asking the queries?.

The suggestions which they have given were to come out with many such events so that school students can get updated with the Technology.

These made our team feel that we had done a TREMENDOUS JOB!

### STEPPING OUT WITH A SOCIAL GOAL!!!!...

Location	:	Kavadipally Village
Total number of Participants	:	50
Theme	:	<b>Driving a Change among School Students</b>
VITS IEEE WIE Advisor	:	Dr. Vijayalaxmi, Assoc. Prof., ECE Dept.

We, the students of **VIGNAN INSTITUTE OF TECHNOLOGY AND SCIENCE** have joined our hands together with a single goal of educating the community.

The mission of this event was to let students know the essence of technology in today's world.

With this goal to encourage students and engage them in technology, we've organized an **IEEE** event **WOMEN IN ENGINEERING** under the guidance of Dr. N. Dinesh Kumar and Dr. Vijayalaxmi Biradar.

We have organized a technological event our team has focused upon developing a deeper understanding of the appropriate use of technology. We came out with both **SCIENCE** and **ELECTRONIC** projects. We've prepared models of each project so as to set the school students minds on fire.

In order to make the Event success organizing alone is not enough, Publicity was another important criteria. For Publicity we've designed 2 Flexes'. These were designed by:

## SWINE FLU AWARENESS CAMP

Swine influenza is an infection caused by any one of several types of swine influenza viruses. Swine influenza virus (SIV) or swine-origin influenza virus (S-OIV) is any strain of the influenza family of viruses that is endemic in pigs. As of 2009, the known SIV strains include influenza C and the subtypes of influenza A known as H1N1, H1N2, H2N1, H3N1, H3N2, and H2N3.

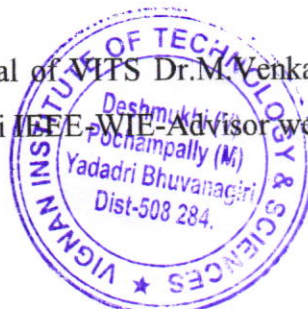

The H1N1 flu, commonly known as swine flu, is primarily caused by the H1N1 strain of the flu (influenza) virus. H1N1 is a type of influenza A virus, and H1N1 is one of several flu virus strains that can cause the seasonal flu. Symptoms of the H1N1 flu are the same as those of the seasonal flu.

### Picture of the Event

### Report on Swine Flu Awareness

- **IEEE VITS WIE (Women in Engineering) AFFINITY GROUP** in association with **SHINE CHILDREN'S HOSPITAL, LB Nagar** stepped out and conducted an **Awareness Camp on Swine Flu** which has been contagious since now.
- Students from **IEEE-VITS-WIE-AG** and **Dr.V.Sunil Kumar Reddy, M.D(Pediatrician)** from Shine Children's Hospitals took an initiative and campaigned in **Kavadipally Government School, Kavadipally** on **31-1-2018** made the villagers aware of the measures to prevent Swine Flu, precautions need to be taken by the different age groups and distributed masks as the first step of safety measures.
- Around 200 people from the village attended the awareness camp and clarified their doubts about swine flu.
- CEO of VITS Mr.B.Shravan, Principal of VITS Dr.M.Venkata Ramana, Mr.N.Dinesh Kumar HOD ECE and Ms.Vijayalaxmi IEEE WIE-Advisor were present for the event.

## RASHTRIYA EKTA DIWAS

National Unity Day (Rashtriya Ekta Diwas) is celebrated in India on 31 October. It was introduced by the Government of India in 2014. The day is celebrated to mark the birth anniversary of Sardar Vallabhai Patel

### Rashtriya ekta diwas pledge

<p style="text-align: center;"><u>राष्ट्रीय एकता दिवस शपथ</u></p> <p>मैं सत्यनिष्ठा से शपथ लेता हूँ कि मैं राष्ट्र की एकता, अखंडता और सुरक्षा को बनाए रखने के लिए स्वयं को समर्पित करूँगा और अपने देशवासियों के बीच यह संदेश फैलाने का भी भरसक प्रयत्न करूँगा। मैं यह शपथ अपने देश की एकता की भावना से ले रहा हूँ जिसे सरदार वल्लभभाई पटेल की दूरदर्शिता एवं कार्यो द्वारा संभव बनाया जा सका। मैं अपने देश की आंतरिक सुरक्षा सुनिश्चित करने के लिए अपना योगदान करने का भी सत्यनिष्ठा से संकल्प करता हूँ।</p>	<p style="text-align: center;"><b>RASHTRIYA EKTA DIWAS PLEDGE</b></p> <p>I solemnly pledge that I dedicate myself to preserve the unity, integrity and security of the nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of Sardar Vallabhbhai Patel. I also solemnly resolve to make my own contribution to ensure internal security of my country.</p>

## SWACHH BHARAT IN LOCAL SCHOOL

Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009 that failed to achieve its intended targets.<sup>[2][3]</sup> Phase 1 of the Swachh Bharat mission lasted till October 2019. Phase 2 will be implemented between 2020–21 and 2024-25.

## COMMUNITY VISIT

Faculty : Dr. Vijayalaxmi and Mrs. Anuradha Chavali

## EVENT REPORT

In order to get an insight into the issues faced by the neighbouring villages and to extend the necessary support at the organizational level, the IQAC team of Vignan Institute of Technology and Science made a visit to the Baljiguda. The team interacted with 10 members of the village and tried to understand the primary issues faced by them. Upon detailed discussion with the villagers, the following issues have been enumerated:

- Scarcity of ground water as well as drinking water
- Improper schooling facilities
- Lack of computer training facilities
- Lack of facilities for vocational training in computer embroidery
- Lack of basic amenities for women and children
- Lack of dispensary and first aid facility in the village

Keeping these issues in mind, the team wrote a proposal to IEEE SIGHT and WTP (DST) for funding the project that would address to the above said needs of the villagers. The team is awaiting acceptance from them. Along with it the villagers were counselled about the ill effects of the use of plastic and were educated about the segregation of dry and wet waste and the benefits therein. We interacted with following community members

1. Radhika
2. Sushila
3. Lasya
4. S.Nagamani
5. Aruna
6. Annapurna
7. Anusuya
8. Punyavati
9. Kruthika
10. Mounika

## HEALTH CHECK UP CAMP

Village: Balijaguda

Doctor: Dr.Harish Rachuri & Dr.Nandana Biradar

### EVENT REPORT

With the motive of promoting health and hygiene and ensuring the well-being of the villagers in the neighbouring communities, Vignan Institute of Technology and Science initiated a Health Awareness and Check-Up Camp at Baljiguda village. The team comprised of Dr. Harish Rachuri and Dr.Nandana Biradar along with the IQAC team of Vignan Institute of Technology and Science in the presence of Burra Veera Swamy, the Sarpanch of the village. The villagers were counselled about healthy habits, benefits of proper nutrition and sanitation and appropriate disposal of waste. Since viral fever and Dengue has been rampant all over, the symptoms of the same and the precautions to be taken to avoid them were explained to them in detail. An extensive health check-up was carried out by registered health care professionals including checking their vitals like blood pressure, temperature, and based on the symptoms that were described by the people, proper diagnosis was made and based on it, appropriate remedies were prescribed. Free medicines were distributed in some cases and at the same time, all the villagers were provided with multivitamin tablets.

The camp was attended by 58 members of the village. The photos of the events are

## STRESS MANAGEMENT

**Stress management** is a wide spectrum of techniques and psychotherapies aimed at controlling a person's level of stress, especially chronic stress, usually for the purpose of and for the motive of improving everyday functioning. Stress produces numerous physical and mental symptoms which vary according to each individual's situational factors. These can include a decline in physical health as well as depression. The process of stress management is named as one of the keys to a happy and successful life in modern society. Life often delivers numerous demands that can be difficult to handle, but stress management provides a number of ways to manage anxiety and maintain overall well-being.

## MORAL & ETHICS

**Ethics** or **moral philosophy** is a branch of philosophy that "involves systematizing, defending, and recommending concepts of right and wrong behavior". The field of ethics, along with aesthetics, concerns matters of value; these fields comprise the branch of philosophy called axiology.

Ethics seeks to resolve questions of human morality by defining concepts such as good and evil, right and wrong, virtue and vice, justice and crime. As a field of intellectual inquiry, moral philosophy is related to the fields of moral psychology, descriptive ethics, and value theory.

Three major areas of study within ethics recognized today are:

1. Meta-ethics, concerning the theoretical meaning and reference of moral propositions, and how their truth values (if any) can be determined;
2. Normative ethics, concerning the practical means of determining a moral course of action;
3. Applied ethics, concerning what a person is obligated (or permitted) to do in a specific situation or a particular domain of action.

## UNNAT BHARAT ABHIYAN

### Vision

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

### Mission

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.
