I REVIEW OF PREVIOUS GBM MINUTES

1. Reviewed the process of Applying for NAAC
2. Closure of M.Tech. DFM, M.Tech. VLSI System Design, M.Tech. EPS
3. Reviewed R&D Policy.
4. The proposed means scholarship was approved
5. Establish new labs for II year as per JNTUH, R-18 regulations

II REPORT OF INSTITUTE PROGRESS FAY 2016-17

Dr. G. Durga Sukumar, Principal presented a report on the highlights of the college during the academic year 2017-18 up to I semester to the quorum.

- Ensured the ongoing NAAC preparations.
- During the academic year 2017-18, 98 journal papers and 54 conference papers are published.
- During the academic year 2017-18, more than 490 placements are achieved till now.
- VITS organized various training programs for SAE collegiate club TIER-I and TIER-II
- VITS is actively associated with TASK.

- 1. Admission and fee regulatory committee (AFRC), Government of Telangana has been appraised institution and revised tuition fee of INR 80,000 which indicating a marked improvement of the institute.**

- 2. Intake progression (Last two years when compared AY 2017-18)**

Vignan Institute of Technology and Science (VITS) is located in Hyderabad which is one of top metropolitan cities in Hyderabad. and also amidst various world class research organizations, institutions and industries which makes it ideal for having continuous Industry - Institute Interactions. The campus is located 12 km from famous Ramoji Film City. VITS was established in the year 1999 with AICTE approval for UG programs in 6 disciplines, PG programs in 5 disciplines, The Institute is affiliated to JNTUH, Hyderabad and follows the university's curriculum and academic regulations. Within a short span the intake has increased. The current intake is 720 for UG, 90 for PG and 144 for lateral entry at second year level with sum total of students. The college is located in a lush green and pollution free atmosphere surrounded by hills. The ambience and atmosphere of the college is most congenial and conducive for students to pursue their studies to the best of their abilities. The aim of the college is to bring technical education within the reach of everyone and create superior professionals for prospective employers both in public and private sectors.

Within the short span of 3 years, VITS has established a name for maintaining quality in terms of post graduate education. As part of the quality measures, VITS does not allow part time employment of students while pursuing the M.Tech course. Hence, only serious students who wish to take up research or are interested in higher education enroll into VITS's M.Tech programs. In spite of such policies hurting VITS's overall M.Tech admissions, it continues to maintain PG programs quality by enforcement of academic quality in terms of regular class work and labs. VITS strongly believes that such quality measures will yield results in the long term and the admissions will only improve going further
